ASRA's DYNAMIC MANAGEMENT

The selection of an Institute where you would like to pursue your degree in the relevant stream and which will provide you the platform where you embark upon your first journey towards your career is a critical decision. You need to take account several factors namely, availability of infrastructural facility, academic ambience, teaching learning process, industry linkage and interaction. We at Asra Group of Institutions from its inception, focused to impart “Quality Education Comparable with global standards”

“Actions speak louder than words.” Further, “Success is not the result of spontaneous combustion, you must first set yourself on fire.” At Asra Group, the students will be exposed to an atmosphere of intellectual stimulation & team work, leading-edge integrated approaches to many complex professional challenges and extensive collaboration with business, industry & government. We lead them to realize their dreams for reaching the apex of their career.

Our team of committed, devoted, energetic & dedicated faculty members who are student-mentors and learning-facilitators, will ensure quality in education and create the congenial, conducive, academic & professional environment at this temple of learning.

We look forward to a relationship where only imparting education is not only the sole objective but to make them competent professionals, executives, future leaders and above all socially responsible human beings.

Greeting & best Wishes.

Dr. Keshav Goyal
Managing Director
Asra Group of Institutions

Heartiest welcome to you all in Asra Group of Institutions, where enlightenment leads to empowerment, a brand name in the field of technical and professional education which stands for meaningful education in toto.

It is our endeavour to groom out young professionals equipped with requisite skills and possessing contemporary technical & professional knowledge so as to keep pace with the rapid and path-breaking technological development and finding requisite place in the highly competitive job market. Being aware of these realities, we are fully committed to provide state-of-the-art infrastructure and instructional facilities like well stocked library, computer labs, laboratories, workshops and experienced, efficient, well qualified highly committed and dedicated faculty.

We are providing education with latest teaching methodology which includes regular class room teaching and training with audio-visual aids, tutorials in small groups for personalized attention. However, new concepts of teaching have been introduced through smart classrooms. As per our policy of growth and expansion, we have collaborated/MOU with 3 Govt. Universities/ATMC, of Australia, New Zealand and Canada for giving opportunity to our students at International level. We have developed unique “Monitoring System” whereby each faculty member will become a foster parent to a group of students and attends to their personal problems. It is our commitment to provide congenial and pollution free environment.

I wish that Asra Group of Institutions achieve new heights in academic pursuits and technical excellence in the years to come. Be a part of AGOI. Join the Technological Revolution.

I wish all new comers a great success.

Dr. R.K. Goyal
Chairman
Asra Group of Institutions

Introduction

About Asra Group

It was a dream and vision of late Sh. Ram Asra Goyal, the father of our dynamic Chairman Sh. R.K Goyal and Managing Director Sh. Keshav Goyal to bring quality education at the door-step in the Malwa Region. This brain –child idea has been brought into reality by forming Ram Asra Goyal Education & Research Society, Sunam. This society has accepted the challenge and pledged to impart quality education in the Malwa Region by establishing Asra Group of Institutions in 26 acres of lush green pollution free environment. Hence, the Asra Group of Institutions was established in 2009. These institutions with world class standard infrastructure is meeting the dire need of professional education in the Malwa Belt. Under Asra Group of Institutions, we have:

- i. **Asra College of Engineering & Technology**
